WE HAVE SOLUTIONS!

Equipping for artistic excellence & authentic worship.

IMPROUE musicality

INCREASE participation

INSTILL unity

INSPIRE worship

- Does the congregation seem less than fully engaged?
- Do you sense they could and should sing with more volume?
- Are you seeing dreary faces with lips that are hardly moving?
- Would you like to hear & see them singing with more passion?

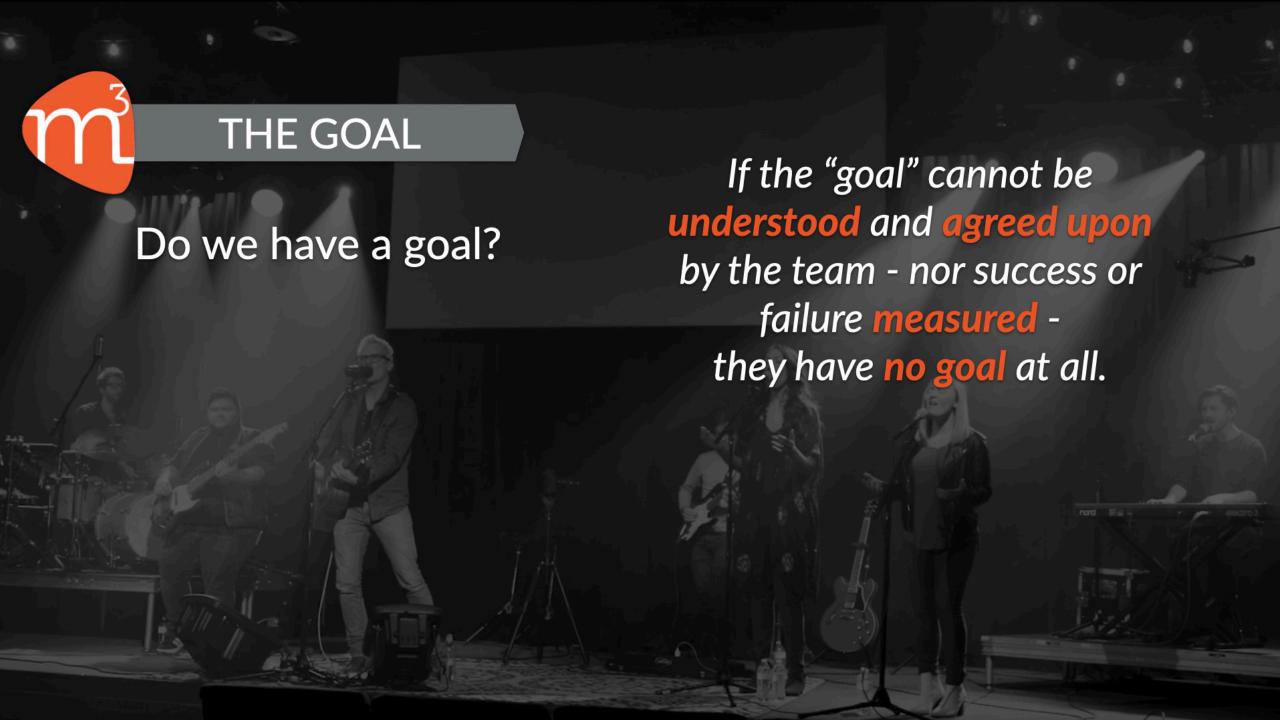

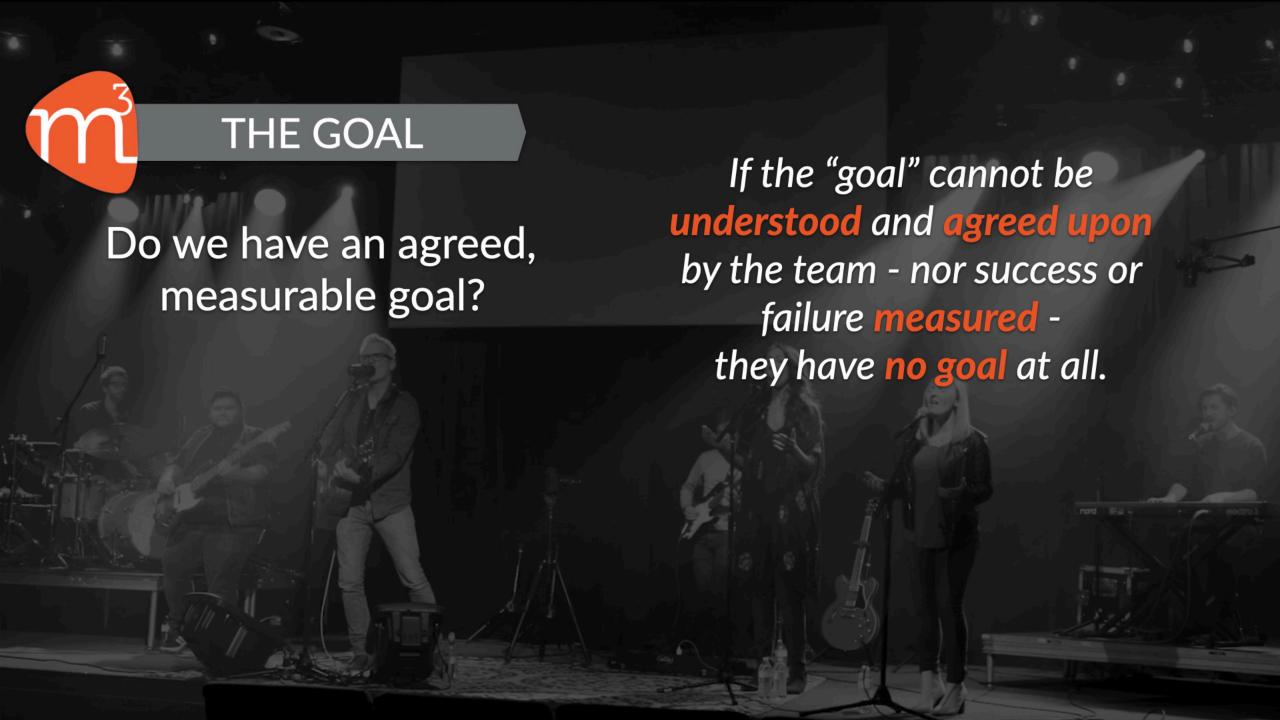

THE GOAL

... to worship God!

Wor[th]ship

- 1 Our Christian culture overuses and misuses the word "worship" ... IMO.
- Music/singing is one important EXPRESSION of worship.
- 3 Music/singing can be used in many different ways to worship God.
- Ultimately, it is only GOD who can measure the worshipfulness of worship.

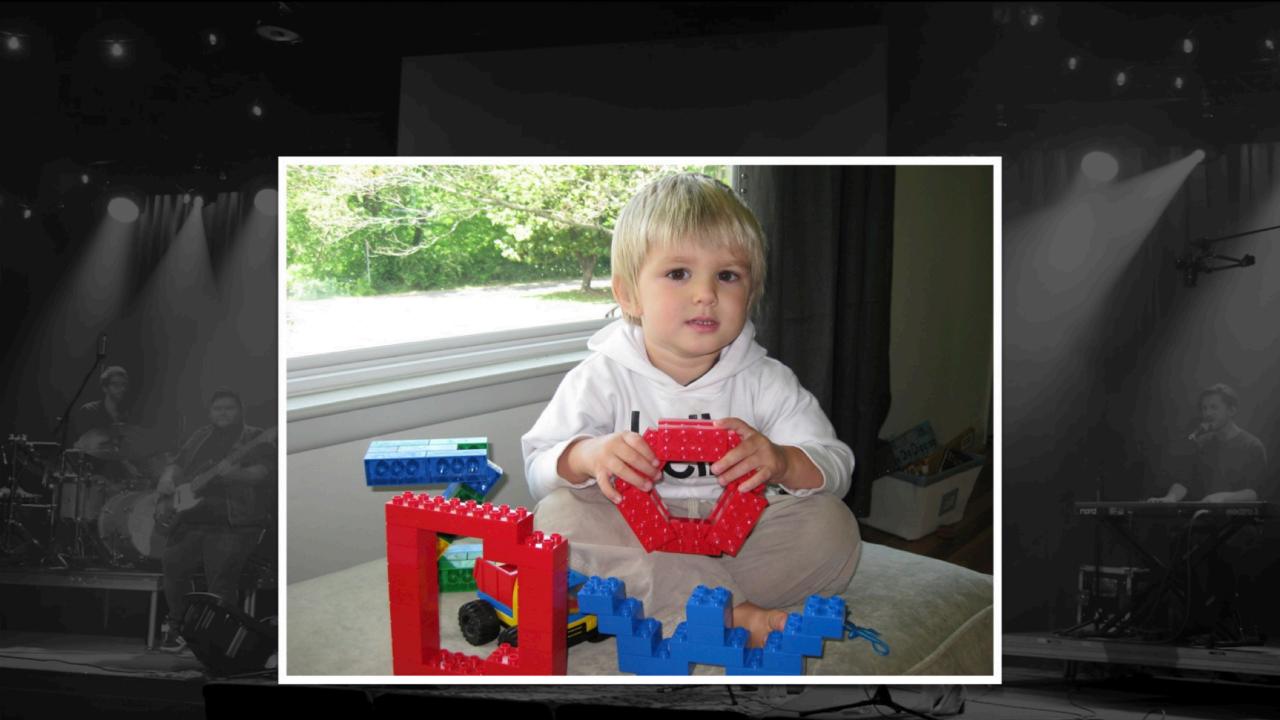

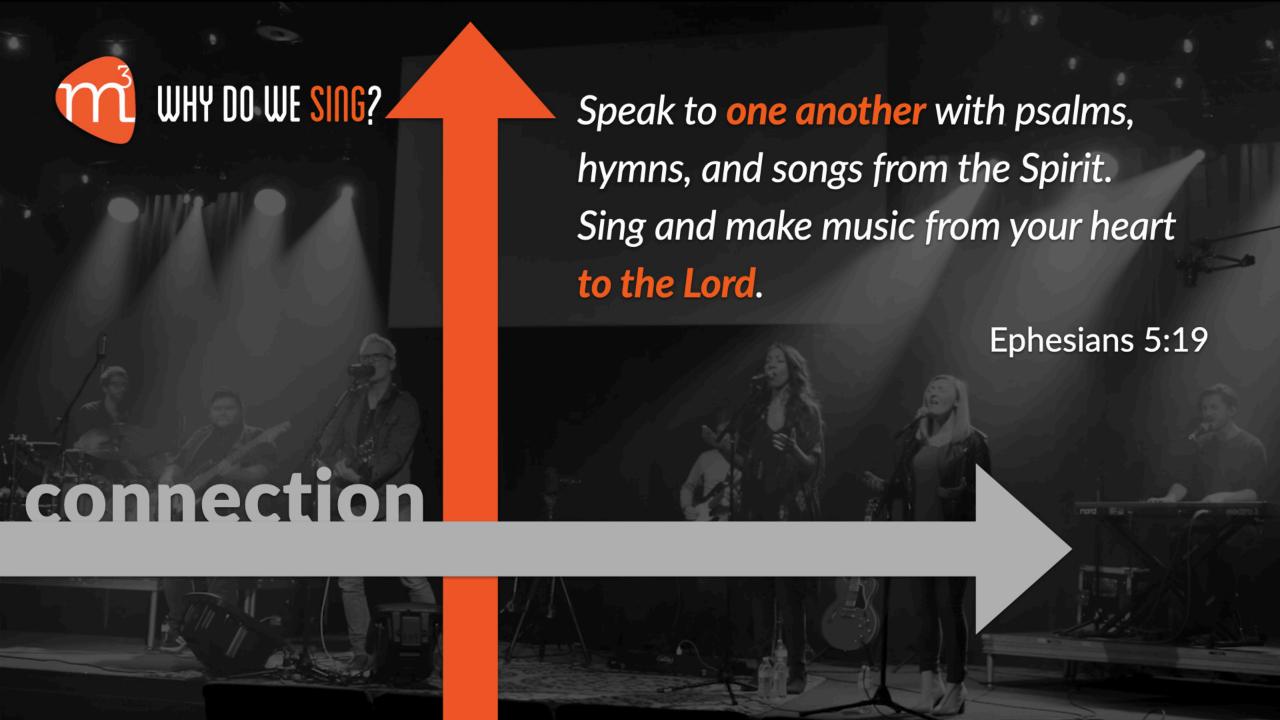

MUSICking

SINGING brings our congregation to a deeper experience through MUSIC.

It's better to be in the "BAND" than in an "audience".

Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts.
